Order - application for issuing a certificate for a qualified SEAL

I would like to issue a qualified certificate containing the following data:

Subscriber ID
(Organization):

Certificate validity period: The certificate will be valid from: (if not completed - from the date of issue)

Email address for contacts: (not stored in the certificate):

Details of the person authorized to collect the card with an electronic seal:

First name and last name: ID number:

Terms of service, subscriber's confirmation and consent

The service will be provided in accordance with the current version of the Policy for qualified trust services, available at www.cencert.pl. In particular, chapter 9.8 of the Policy contains restrictions on CenCert's liability. **I confirm that I have been informed about the provisions contained in the policy, and in particular about the restrictions on CenCert's liability**.

The payment for the certificate and accompanying hardware elements (card, reader) is in accordance with the current CenCert price list. Enigma guarantees the hardware elements (card, reader) - 2 years from the date of sale, while the warranty on the new card is valid for at least the end of the validity of the qualified certificate installed on it.

In the case of ordering additional services (access, assistance, training, etc.) - payment is required on the terms agreed between the Subscriber and the CenCert partner providing the service.

The administrator of personal data is Enigma Systemy Ochrony Informacji Sp. z o.o. The data is processed solely for the purpose of providing a trust service consisting in issuing a qualified certificate, based on Art. 6.1.b, art. 6.1.c and art. 6.1.f. rodo. Detailed information on the processing of personal data can be found in the Privacy Policy at www.cencert.pl.
