Order - application for issuing a certificate for a qualified signature

I would like to issue a qualified certificate containing the following data:

Subscriber ID
(certificate owner):

Certificate validity period: The certificate will be valid from: (if not completed - from the date of issue)

Subscriber's contact details

Contact details are not saved in the certificate. They are used by CenCert to provide information related to certificate service.

Telephone: E-mail adress:

Terms of service, subscriber's confirmation and consent

The service will be provided in accordance with the current version of the Policy for qualified trust services, available at www.cencert.pl. In particular, chapter 9.8 of the Policy contains restrictions on CenCert's liability. **I confirm that I have been informed about the provisions contained in the policy, and in particular about the restrictions on CenCert's liability.**

The payment for the certificate and accompanying hardware elements (card, reader) is in accordance with the current CenCert price list. Enigma guarantees the hardware elements (card, reader) - 2 years from the date of sale, while the warranty on the new card is valid for at least the end of the validity of the qualified certificate installed on it.

In the case of ordering additional services (access, assistance, training, etc.) - payment is required on the terms agreed between the Subscriber and the CenCert partner providing the service.

In accordance with art. 14 of the Act on trust services, I hereby confirm that the public key with the identifier has been assigned to me:

in my qualified certificate, stored on the electronic card number:

The administrator of personal data is Enigma Systemy Ochrony Informacji Sp. z o.o. The data is processed solely for the purpose of providing a trust service consisting in issuing a qualified certificate, based on Art. 6.1.b, art. 6.1.c and art. 6.1.f. rodo. Detailed information on the processing of personal data can be found in the Privacy Policy at www.cencert.pl.

.....
Date, signature (name and surname legibly) of the person applying for the certificate

Certificate revocation password:
ATTENTION!!! Keep the password in a safe place and protect against loss and disclosure.

Statement on the verification of personal data

Performing the duties of a CenCert Registration Inspector, aware of the criminal liability arising from art. 42.1 of the Act on trust services, I declare that I have verified the identity of the person applying for the certificate, based on the ID document presented to me, valid until .... and I confirm that the personal data entered in the Subscriber's Identifier field above is correct.
